**Students who need to use the Library Media Center (LMC)/Career Center must have a pre-signed pass from the Librarian/Career Center Coordinators, which they'll present to their study hall teachers before leaving for the LMC.

- Teachers should limit passes during times when breakfast is served to help prevent students not assigned to study hall from loitering in the café/commons.
- Teachers shall have all students enter the class and take attendance before students leave for their study hall destinations.
- Teachers can let students go to their destinations 5 minutes into the study period provided they have a hall pass.
- Library/Career Center/Computer Lab teachers shall not let student return to study hall without notifying study hall teachers.
