Staff Proposing Books _____

Also Read and Recommended by _____ and _____

Tradebooks: Books that are used with students for instruction in specific learning outcomes over a period of days. These may include fiction, nonfiction, and artistic pieces. Independent reading books do not fall within the scope of the tradebook process.

Book Title/Copyright date	Readability
Author	Review(s) of this book is/are attached (optional)
1. For what instructional purpose will this book be used?	
2. How does the tradebook contribute to the overall balance of the collection?	
3. For which student population do you intend to use this book? (Above goal, at goal, below goal)?	
4. Describe the quality of the content (author, quality of writing, illustrations, awards received, etc.).	
5. Please explain potential concerns (e.g. objectionable language, excessive violence, bias, sexual content, etc). A concern does not mean that a book will not be approved. *	
6. Other comments:	

*Books approved with reservations shall be used only after parents are informed of their intended use.
