The SHS Athletic Boosters Association supports SHS athletes

The SHS Boosters help SHS teams to purchase equipment, uniforms, award apparel and team plaques* with money raised through memberships and concession sales.

Last year Boosters provided over \$9,000 in financial support to school athletics and student athletes.

If your SHS student participates in football, soccer, field hockey, track, swimming, cheerleading, basketball, crew, baseball, softball, tennis, golf, cross country, sailing, gymnastics or lacrosse, please join the SHS Boosters.

What you get:

All Boosters member students are eligible for:

- Free team plaques and apparel should their student or their student's sports team reach a major milestone.
- Senior Boosters scholarship dollars if joined prior to spring sports night.
- A 2016-2017 SHS Boosters car decal enabling you to show your pride and team spirit.

* If you are not a Booster member and your student is eligible for an award, you will be required to pay for the award plus the \$25 Boosters membership fee.

How to join: Membership is **\$25 per family** for the 2016-2017 year. Additional donations are welcome. Make checks out to SHS Athletic Boosters. The team you designate (see below) will receive \$5 of your membership. Send the completed membership form with check to the “SHS Athletic Boosters” at the high school or mail to Karin Burgess, 213 Farmholme Road, Stonington CT 06378.
