

Progress Reports and Report Cards Online

Mid-Quarter Progress Reports are available online to keep parents aware of academic progress during the first five weeks of each quarter. Report cards are also available online shortly after the close of each quarter. The benefits for you as parents are that you will be able to receive more detailed, more timely results than if the reports were mailed, and of course, there would be no chance of any problems with the mail.

Online Access to Student Grades

Parents and students have 24/7 access to student grades through the PowerSchool program. Having daily access to your child's grades through PowerSchool is being provided to you as another form of communication with teachers and administration. However, even though you will be able to check grades 24 hours a day/ 7 days a week, **please be advised that many assignments take considerable time to grade.** Typically, grades will be posted as the assignments are returned to students. **Please be patient if a grade has not been entered immediately after it was assigned.** At progress report and report card dates, parents can expect the most current grades available in classes. Therefore, progress reports and report cards continue to be the most accurate indicator of your child's academic progress. All families should have received a user name and password, which is used to access grades. If you did not receive your son/daughter's password, please contact Mrs. Colschen at jcolschen@stoningtonschools.org.

Please follow the instructions below to access your child's progress report or report card.

- Step 1- Log in to Power School (during the times listed)
- Step 2- Enter your username: (Student Web) and password: (Student Web Password)
These were mailed home, and the same number will be used all year long.
- Step 3- Click the "Enter" button
- Step 4- View student grades

If you would prefer a paper copy of this report, please complete the bottom portion of this letter and return it to Dr. Murphy.
If you have any questions please email Mrs Colschen.

Please send me a progress report/report card for (Child's Name) _____
